If you would ask yourself if it's good for you, you would respond, "NO." (Try it.)

The longer you hold out when the urge is strong, the longer you will be on the madreigah of Yosef Hatzaddik.

Refraining will make you HAPPY.

Repeat after me. "Right now, I am on the madreigah of Yosef hatzaddik."

You don't even want to. It's the Yetzer Hara, The Satan who put you under hypnosis.

You are following orders of the one who will eventually put you to death.

every time you act out, you are concealing yourself. simply put you, I found that when I act out it's harder to reach in to the energy one needs to fully experience life, on the other hand holding yourself in allows you to live life as a living person.
