Sometimes that's a struggle for me as well...

You have the interest to post and ask a question. Hmm.
From your own experience, when (if ever) do you feel like doing stuff?

problem with me is that i'm an introverted extrovert. I cannot function in isolation, but i get anxious with people as well. Between a rock and a hard place. Go figure...

My signature should be a good guide for you...

"If I am not for myself, who will be for me? But if I am only for myself, who am I? If not now, when?"

wishing you all the best!
