

Holy Yid's Continuing Journey

Hi I am alive. I am past 90 days, through the Hand of God, so I am starting a new tread for myself and my friends.

I still don't accept that I am an addict or even if I am an addict I do not accept myself as a full fledged one. Because of that I do not always take all the precautions other people on this site take. I want to diverge for a second and say that I respect all those who do take those precautions I just like to believe that I can get away with less. Anyways I felt that I should be ???? in ?????? ?????? so I spent a week acting as though I was a fully addicted addict with almost zero resistance.

I was very careful about what I saw outside, when I used the web and what non Jewish stuff I looked at and so on. I discovered a shocking thing. That after the week I was calmer and felt more in control of my life.

Maybe I'll *pretend* to be an addict long term.
