Hi All!

I am super excited to start my thread here!

I'll make it short and sweet.

YOU'RE ALL INVITED TO JOIN THE RIDE TO LEAVE THE MUD!!!

I hope to stop by constantly and share updates about how the ride goes, but one thing is important to remember:

WE WILL MAKE IT IYH!!!

Wish me all the good luck!

We daven to Hashem that we not be presented with a nisayon, knowing that every once in a while, we will have one. The exhilarating feeling of pride passing such a test, is an investment in iyh staying clean. So yes, keep those filters on, and may Hashem protect you (and all of us) when challenges arise. We can assume that what ou did has an element of mesiras nefesh. Daven to Hashem for someone who needs a yeshua. You bent your teva - natural setting for Him; He should fight the world's teva - natural setting for whoever you daven for.

I'm not sure whos being Mechazek who,

just to share a vort I saw on this weeks parsha that can be so relevant to many of us:

The Pasuk says ?????? ???? ? ???? ? ???? ????..... ???? ???? ? ?????. the Lev simcha of Gur explains that this Pasuk is teaching every Jew: ???? ? ???? from the yetzer hora, and in whatever situation he is ? ????- DONT LOOK BACK at the not good past as this is the yetzer horas trick to pull you down, and the pasuk continues that the only way is ???? ???? ? ????-JUST KEEP PUSHING FORWARD. KEEP CLIBMING.

When you walk on the street, and you see a beautiful woman is coming your way, and you want to LOOK at her.

Look at it as an opportunity to grow; Hashem sent her your way that you should turn your head and look the other way.

Do you remember when we use to play game boy, and there was all kind of barriers jumping in our way to make us lose the game, and we JUMPED it over with excitement?

This is exactly what's happening here; this woman we came across is just an opportunity to earn points for our game if we jump it over; let's turn our head the other direction and run!
