I hope to stop by constantly and share updates about how the ride goes, but one thing is important to remember:

Oh, I am so busy, BH!

All I can tell you is that...
Guys, What's up? Long time no see.

Being sober feels incredible.

Being sober is NOT easy.

Being dirty is MUCH harder.

Being very busy can be pretty helpful to stay clean.

Being Mispallel all the time is crucial!

Have a fantastic day, and let's stay clean forever!!!!

Lust is like fungus on the feet.

You have a willingness to scratch and rub your feet.

You do it.

You do it more.

It feels good for that moment.

Then you cannot walk straight, since your feet are scratched and bleeding, it hurts for days.

Lust is very similar,

If you start, you end up crying!

STAY AWAY!!!

If you wanna hear about my self, there is not much I am ready to share yet
