

Starting Again...

Hi, I have posted in other threads but just wanted to start this new one to get this of my chest. I guess i am venting more than anything else. To make a long story short, I have been a struggler for years with these issues. This includes watching and also chatting with online relationships etc. BH over the past few years due a variety of reasons things have ~~greatly~~ improved in this area. Don't get me wrong. It wasn't fixed but the issues were less serious (trying to avoid triggering {embarrassing} details. As it still was certainly an issue eventually I recently joined GYE and working on the 90 days etc. I have started and failed more than once but I understand that is part of the process. What is really getting to me and is actually confusing to me is that my most recent fall was to a level worse than I have had in a few years! In other words, when I was working on the issues less officially i was staying away from that level. Now that I am working on really cleaning up my act I have stooped back to my really low levels Why?? It definitely was some Hashgacha Pratis in this as I was faced with a nisayon I have avoided in the past. Is Hashem telling me that now that I am stronger I should be able to deal with nisayon?? Well, I didn't...

Any feedback is welcome!

Unfortunately I had what I will term as a slip last night. This can not continue. BH it did not end in actual fall, but a slippery slope down there...

Hey Lou, I guess that was you slipping in the dark next to me. I was wondering who it was. Unfortunately I did fall. I actually hate the term fall, it makes it seem benign, like it wasn't my fault. So I didn't "fall" I jumped.

Wanna restart together? Whoever loses must donate \$150 to GYE (or a tzedaka of choice). Let me know if you accept the challenge.

R Grant,

I am in....starting from today. I had a fall (fail) last night as well. Just to make it more realistic this is only binding until 90 **This is bli neder!**

If we both hit 90 then of course IMG will be giving \$300!

Thank you!

If you both make it to 90, then yes, I am bli neder "in" for \$300 (to GYE, of course)...but please remind me at that time : )

Anyone out there to match my offer?

5 matchers would make it \$1,500...

With a neder. All it is is \$150. Game on!

Let is not use pity on IMG's wallet as an excuse

R' Grant,

Can you please summarize who is committed so far and for how much? Both as participants (i.e., "if I fall before 90, I will pay \$150") and as sponsors? (i.e., "if all participants make it to 90, I will pay \$300")...

Thanks!
