

Challenge Accepted!!!

Posted by Grant400 - 02 May 2021 01:43

All right! Let's get straight to it.

R' Eliezer, better known as "Lou" and I, both fell off really long streaks of a few months, and needed some help getting back up. So I suggested a 90 day challenge, with the loser having to give \$150 to a tzedaka of his choice (preferably GYE obvs...).

There seems to have been an interest among many more users here, so let us welcome all of you to the party!

Whoever would like to join please respond on this topic. Welcome.

Here are the rules:

Starting from when you accept the challenge, for the next 90 days everyone who joins accepts upon themselves BL"N to post if they fall, and must give \$150 to tzedaka. Even if someone falls that does not absolve the other participants of their kabbalah.

If someone acts out, it adds \$2 onto everyone's kabbalah. Meaning if one person fails, he must give \$150, but the next must give \$152. This is in order to place a certain level of responsibility upon us not to misbehave, because it will cause others to lose additional money. One clause, there is a ceiling, it can never go over \$200.

Anyone can join. Regardless of where their count is holding, it is 90 days from when they accept the challenge.

After accepting, you will be held accountable.

(R' Lou, please let me know if you would like to join according to theses new rules, if not we can keep the old version for you.)

I hope you don't hate me. I'm not sure what has gotten into me today, but here goes.

This sounds like dejection. Surrendering. Losing the will to fight.

Lou? You? You are the man who came in with swords flashing and guns blazing. A man who knew what he truly wanted and fought his way through hell and high water. You decided already to hell with all the crap. You know what life begs, you know what to do.

Is your goal to get up every day and gleefully try to see up some piece of trashes skirt? To rub yourself like some unemployed homeless man who fishes a New York Times out of the trash bin? Heck no! You are Lou of GYE! Hero and role model! The fighter! The warrior! The winner!

Enough of this feet dragging. You are not happy. I know it and you know it. Hard? Hard shmard. Take your circumstances and build you life upon it, not because of it.

I know I may be beating on you but I feel like you lost your drive. Stop it. Just stop it.

Pay your \$150. Reaccept the challenge and become the man you want to be when you face death.

(Disclaimer. I may erase this post if I get too many messages that I am a mean and insensitive

person. I promise it comes from a place of love and solidarity.)
