

This time will be better

Posted by joetyh - 14 Jan 2022 10:58

hey people!!! just had a fall 2 nights in a row after building my streak to 5 days... but you know what, 5 days, that was pretty impressive. I have made myself sort of reliant on videos to entertain myself during bein hasedarim and after night seder which means i occasionally need to access youtube which is a killer because it starts with downloading just some fun vlogs and/or product reviews and it goes downhill from there. I need to find a way to be able to get some videos (I dont think i can quit cold turkey from watching and 613tube isnt an option) but not falling down that terrible rabbit hole of the "How bad of a video can i find on YouTube). besides for youtube theres the plain urges that come and I just feel powerless against them. I try to beat them but its so so hard to. even the smallest trigger (i.e. seeing a random pretty girl in the street) can just set me off on a bad day. I really want to be clean!!! I really do!!!! But I feel like as soon as the urge comes I just decide that "it's just this time" and I'll find an excuse to justify it.

I'm on day 1 now. My goal right now is 1 week. I think I can do it and I know it will be very painful but I'm ready.

any suggestions or if you can relate hop on to this topic

I am so happy for you. Looking back just a month ago you were worlds away from where you are now. Your perseverance is inspiring.

30 days!!!! B"H!!!! I can't actually believe that I did it....

the focus now is not even to get close to maybe even having a slip. There is no need for me to masturbate. It's all just a messed up outlook that I trained myself to look at situations. Watching is out of the question, I'm starting shidduchim and I ain't cheating on my wife!!!! Hashem thses are big things to take on please help me!!!!
