

Do men with attractive wives have less of a problem?

I would like to know what people think about this. We know that the yetzer hora creates ideas and lust into our minds, and it is all fake. Maybe if we were to know that even if our wife would be like the women we dream about, the yetzer hora would just make us want some other women etc, that this would help. I'm rushing this message as im in a rush, but there is more I have to say...

Somebody should start a thread called "We love the heiliger Kedusha" except that it wouldn't make any sense.....Or maybe that would be fitting after all.
