

GYE Quotes

Posted by Eye.nonymous - 25 Dec 2009 07:54

You may have noticed that we here at GYE have coined quite a few of our own inspirational quotes. Or, perhaps we have been circulating quotes from elsewhere that we have found to be useful.

Here is a thread where we can collect all those quotes into a single location, for easy reference. And, perhaps, whe the MOMO stock goes through the roof, then GUE will have the funds to compile these quotes into a new GUE publication or daily calendar.

Please submit your quotes to this thread.

You may also submit other people's quotes if you have found them to be inspirational. However, don't post someone else's quote if they have already posted them here.

Upon close examination, you may find that some of our coined phrases of common currency may be found already on the list of 400 AA quotes. It is nevertheless permitted to include them here. However, please don't everyone cut and paste that entire list here again.

MODIFIED MESSAGE: In order to answer some recent questions, I am clarifying a few rules of this thread.

1. Yes, it is permitted to invent a new quote and post it here in hopes it will gain popularity.
2. Please limit quotes to short slogans, and even one or two sentences. Only include longer quotes if they're REALLY good ones.

Thankyou.

A fall when you're trying to recover is better than a clean day when you're not.

Life is like climbing a mountain; You gotta look up to see how much there is to do, but you gotta look down to see how much youve accomplished.

Life is like riding a bicycle; if you find the going is tough its a good sign, it means your going uphill.

And my favorite;If me tricycle dont do the trick, i gotta get meself a go***mn walker.

1. Sometimes 1 day at a time. Sometimes one minute at a time!

2. Don't ACT out; REACH out!

3. Posting each day keeps the yeitzer away.
