

Sunbeam in Israel

Posted by ?????? ?????? - 09 Jan 2023 23:57

Does anyone know if the sunbeam phone works in Israel? I called them to ask but they didn't give such a definitive answer and said there have been reports of it working but it is not rated or meant for international use. And if it does work I also need to know with what carriers.

Also, are there any other general suggestions for kosher dumb phones?
