Hi guys

Recently i Bought from Amazon a Tally counter (that tiny clicker device that the Dep of health used to count the kids in sleepaway summer camps once a summer)

i hold it in my pocket and every time i hold myself back from looking at woman i click,

i started using it yesterday and today i have already almost 50 clicks!!

You can buy for very cheap for [\\$1.79 from amazon](#) for the small electronic version

If youre from the old guys that like Walkmans CD player you can buy a larger manual for just under [\\$8.00 from amazon](#)

Got inspired by the vayemain about the clicker and have used it since , helps a ton in the car and I hear up before I walk into grocery store as usually there's nisyanos. And bh it helps a lot even if I don't have clicker on me I just got naturally more used to quickly looking away. By 1300 clicks hatslcha keep clicking

Hi Everyone,

As you can see I've reached new heights with 2,000 clicks, B"H.

to say it was easy is a lie, but it's doable for everyone, i highly recommend it for anyone willing to take their shmiras einiyim to another level.
