

Couldn't resist the urge

Hello everyone. I hope you're doing well. During the course of my life. I have tried to break free from the addiction but I failed at it. Over and over and over again. I had the longest streak 2 years ago but everything fell apart & I'm hitting the rock bottom once again. I don't know what to do

Connecting to some angels over here works wonders, talking to some Brothers over helped me tremendously.

For some inspiration, please read Vehkam's thread (in his signature, at the bottom of the previous post) and The Battle of the Generation (link below in my signature).

Wishing you much success!
