

Clarity needed

Posted by alwayshappy - 24 Jun 2024 02:28

Hi guys,

Bh I have come a long way from were I began, I used to turn to watch p**n when I was stressed or bored bh I have made a lot of progress in that area but I still fall from time to time thru different means. I am looking for someone who has been around for some time who can get on the phone with me to explain how to go around gye as I am finding it difficult thanks so much...

Hey!

Congrats on the first post. "I have come a long way" is a beautiful sentence.

Many wonderful people around here who can guide you. I am pm'ing you my number, but I strongly suggest you reach out to HHM who can give you much better guidance.
