

Money for Shmiras Enayim
Posted by thfc - 19 Jul 2024 08:36

I have heard there is a programme for yeshiva Bochrim and others that pushes them to commit to Shmiras Enayim by offering financial incentives.

Does anyone have details about this?

Welcome to the GYE family!

Here you will find warmth, acceptance, and a place to really beat this monstrous Y"H.

I would recommend reaching out to either HHM -Hashem Help Me- at michelgelner@gmail.com or Muttel at muttel15@gmail.com.

They would have more information about this.

Hatzlacha and keep us posted!
