

What am I doing ; continually ask

Posted by joyfulbutterfly02 - 03 Jan 2025 05:39

---

It doesn't have to be the standard material we deal with . Those on the spectrum ; can be mesmerized by both vehicles , animals and anything on social media reels . This may not be the "bad stuff " ; this evening I barely made it to 11:30 pm Arvit .

Fortunately, they go till 12 am and during Selichos time ; a bit later .

Happy ending ; dropped off flyers for two of my business ventures .
