Hey Great Forum People,

cause I have very little. I struggle. I pray for the people over here a lot. I also have fun. I said with a powerful heart some psalms for you guys. Not sure how I will face the challenge. It's nice knowing you people.

Good luck

Avi

Hey Yackov,

I hope you are well. I myself am a stranger too. Thank you for the encouraging words. I hope I can provide you some encouragement as well. I gave you a karma point. Amen for your blessing. May God make good things happen to you. You are great Yackov.

. I saw it by email. If you try putting an emoji,  
like a thank you emoji. Your message will likely not go through. You are definitely  
? What  
encouragement do you want. 1. Words of encouragement - just showing up to this place shows  
greatness. 2. Encouragement of advice - Be giving and recruit friends. 3. Prayers - more coming  
your way!!! Yackov you the best.
