Confidential Webinar for Porn Addiction (Men) Posted by BenHashemBH - 04 Jun 2025 15:49

Shalom Brothers,

I've had this even forwarded to me a couple of times, so thought I'd share the resource.

Disclaimer: I don't know the therapist (<u>Yechiel Aharonof</u>) who is hosting, nor the focus of his presentation.

Could be an opportunity to dip your toe into the world of therapy if you've been considering that approach.
