Posted by captain - 28 Jul 2025 11:57

I'm starting this thread as a place for people to post one idea in 3 sentences or less that they feel is most important for new members to informed of. This can including anything, including about how to work GYE, but the most important thing to write is a concept (mindset) or a tool or resource that new members will find the most helpful. Please post your idea below:

CO that's a lot more than three sentences. . .

Oish! I **can't BELIEVE** I did **THAT AGAIN!! Arrrgggh!!**

ZERO CONTROL OF MYSELF! I hate that I can never stay within word limits!!!

The crushing **SHAME AND GUILT!! Ughhhhh ????? ?????? ??????!!**

[Newcomers], pay attention now, this is the way to gripe [after a fall].

I find that a good Shiur in the morning gives you that good spiritual feeling for the day... i always had that shiur but since going clean I'm much more motivated to not miss a day...
