

Men and Women's forums are now seperate

Posted by the.guard - 10 Jan 2010 15:28

---

Due to some serious breaches in Tzniyus that I am not at liberty to divulge, and after consultation with experts, it has been decided that the men and women's forums on GYE will now be completely separate. Men will not be allowed access to the women's forum, and women will not be allowed access to the men's forum.

We would also like to re-iterate that posting e-mail addresses and telephone numbers is forbidden on the forum. Instead, PM's should be used (between each gender separately).

We apologize for the inconvenience - and just so that no one should get wrong ideas, let me state that it has nothing to do with our dear women members, 7Up, Habib, Trying, Letakein and theOne.

Ok, no more splitting this topic just to get in the last word. I know, I know, everyone wants to get in the last word, but at the end of the day, we all know who wears the furry hat.

P.S. Me3, I'll do whatever you want me to do.
