I would like to throw out an idea. I would love to hear the feedback of the GYE family. As all the ???????? ?????? & ?????? always said about the tremendous ????? of learning ??????, it's a ????? on everything and especially to help in ?????? ??????, so I'm thinking maybe someone can arrange a schedule for the GYE members so we all learn as a group that would have a major effect on all of us and the world as well.

I'm part of R Meilech biderman chabira which they publish every week 1 page of different ???????? which I'm happy to post here every week but I wanna hear if anyone has any other ideas of feedback on this idea
