

Pesukim from Torah to remind us what to do in distress

Posted by Ineedhelp!! - 15 May 2009 19:54

Hi fellow posters, Ineedhelp!! here again,

I have started a new subject because i think this idea will not only help me, but help everyone else as well.

I am making an initiative that anyone and everyone post any Pesukim from Tanach that might be relevant for our situations. Don't forget to post the source and the translation along with it and a nice P'shat if you want. You can do whatever you want with them. I plan on taping them around my computer in order to see them when i use it. But you can post it around your house, in your wallet, in your Seforim.

I don't know of that many so I am going to start with a pretty basic Pasuk from Kriyas Shema:

"Velo Sasuru Acharei Levavchem Veacharei Einechem" -And you shall not stray after your hearts and after your eyes.(Bamidbar, 15:39)

Everyone should have a great Shabbos!
