

Getting the word out

Posted by Holy Yid - 03 Feb 2010 21:43

I want to make a thread where we can post about what we have done to spread the message of GYE.

Yesterday and today I mailed a letter and the two haskamkos to prominent Rabbinim with big shuls. That is two letters. I have two more ready to go I just need to get their addresses.

Please remember the pain that brought you here and think of all the people you can help

OMG, no offence given, but much taken

i already HAVE A THREAD FOR THIS!!!!

Cmon???

DOESN'T ANYONE (other than guard, kedusha, and 2 other people) CARE TO RESPOND ON THE THREAD!!!!

sorry, It just hurts more, when I see that other people are more than happy to help. Please see if you can transfer this thread to the existing one. Since truthfully this belongs in the "Anouncements" page. Just that since it's more of a "workshop" for the klal, I think GUARD let me get away with it here.

ooh ooh ooooh a response!!!!

yay!!!! Go RAGE.

Sheesh no-wonder no-one says anything. they think it's one of these misplaced administrative board-rrom threads, where only boring people go! We need your name in there RAGE, and at least for fleeting seconds (while th epage is loading) they may actualy be interested!
