

need a pm friend for those weak moments

Posted by andrewsh - 22 Feb 2010 15:39

Day 5.....Hi, does anyone who is on their pc during the day (europe time) have msn messenger or google whatever, to be able to chat and provide support for weak moments?

Thanks for all.

[Moderator's note: Just fixed the spelling of "weak" ;)].

Kedusha, wna try fixcing all muy typwos? he h e he...

I am... oh and the current email I put on my profile actually works. Anonymous as it is, i have all 4 of my emails linked to my gmail account. I even get the aol chat from that one.

technology nowadays. A person can have 15 identities, all veiuable from a single central hub! And no-one will know who he is, except for the people who don't know who he isn't.
