

**DC's GROUP**

Hello. This is an unoffical thread so everyone in DC's group (who also happens to be on the forum) can easily find each other. I thought this would make it easier to share what we are learning together, and to support each other.

I hope this isn't breaking any rules.

Even if you have nothing to say, at least a check-in message might be helpful so we can all know who's on board together.

Have a Good Shabbos everyone,

This doesn't break any rules, but I thought I made a special board for exactly this type of thing.

Oh, great idea, Guard!

Shows you how much I pay attention. :-[ :-[ :-[

So, this thread is entirely unnecessary then.
