

Re: Giant Leap's short journey & experiences

Posted by Giant Leap - 07 Mar 2010 02:48

I have the handbooks but I need to make an effort to reading and applying them. I am a member of the chizuk lists, they help alot. I enjoy reading them and I learn new things and perspectives.

I'm from the States, so Shabbos just ended :(

Thank you, Guard and Lieutenant Silent Battle.

Wishing everyone a good week!
