

Tried-Trying-Will Try

Posted by trying123 - 19 Mar 2010 11:12

I just fell...

I don't like it...

As things were happening, I spoke to G-d -asked him to take this whole thing away from me.... I wanted to stop it....

I don't know what to do.... I hope this doesn't happen too often...

I'm just gonna move on with my day...

R' Volbe once wrote that having a social life and keeping busy helps take these stuff away....

I am definitely working on those.... Hope I heal soon....

Please Pray for me...

Peace and Love to all....

May we all merit Holiness and fulfillment....

I wana be good, don't wana fall

But it feels like I keep hitting a brick wall

Please take this away, I don't want to stray

I wana just keep all bad things far from bay

I feel so so lost, when will this all end?

Please Please Please I need a good friend..

I wana try my best, I hope I am

but I never know what you really demand

(a lot of what I write doesn't resonate with most of you

Not much I can do...

I consider this my personal diary...

I think it helps me...)

Peace and love to all my holy Brothers...

(P.s. I think I'm done with the thread "Messed up image of Hashem", that is not my real issue...)

I think Dov would tell you to run away or you'll get crushed!

First of all, who cares what *he* says anyway!

Second of all, no, he'd tell you to give the fight up to your gorilla-trainer "big brother" who knows exactly how to take care of all manner of beasts. Running away is nice, but not always an option.

But you are right, people like him *do* tend to get crushed, eventually.

Does "people like Him" mean Me.... ??? ??? ??? ??? ???

(I probably just read you wrong... as usual....

rabbi Twersky brings down a Peanuts cartoon in one of his books where Charlie Brown is meeting with Lucy (th 5 cent Psycharatrlist) - and he says something pretty much along the same lines.

Lucy asks Charlie Brown to lift up his head - because its hard to hear him...

pull his shoulders back - so she can get a good graps on the problem

stand up straight...

and SMILE ...

charlie brown is standing there in the last frame looking GREAT!

and complains - its hard to feel miserable when your body is NOT co-operating

try it - cannot make it any woirse

At least you recognize that you've got a bunch of folks who **would** do something for you, if they could. That's something to be grateful for. Please take good care of yourself, chaver, it matters a lot. You are really very important.

a buddy among other buddies,

Dov
I'm not doing well

The purpose of this post is twofold:

- **To tell Tried** that I'm thinking of him.
- This thread was already on Page Two. Wanted to return it to Page One.

Good Shabbos,

Y. Hatzadik
