

struggle continues

from a high to a low-

So after a shabbos where I made harchakos from mstrbtion and erotic lit as well as davened what i felt were good tefillos, i fell twice in a short span; once last night and once this morning. Right after the falls, i felt that since the urge and the yh were so immensely powerful, i felt powerless and concluded there is nothing i could have done this time other than ms**bt... I didnt have remorse basically; I chalked it up to the YH.

the yezter hara seems to have so much patience that even if i go a week clean (which is what i had) the urge can come at any moment...

help appreciated...thanks guys.

Thanks eye. I do have a radio next to my bed for that purpose, but again fail to use it when my mood gets too strongly affected.

Well I could go back to sleep, what do you mean?

Ur right, I need to have a plan though.

Nope, sorry you can't . Just go to a very public area in the library, you won't want to look at anything there.

Great idea, and so simple, too.

Those books are like poison for me- unless Hashem takes them away from me from the start i will fall no question

Heloooo? Have you been hanging around with Palestinians recently, or something? They want us to just 'go away', too.

Guess what? The schmoots books are here! They are here!

It's *you* who need to move or change, or something, not *them*. ***That's*** what He is here for, not for kooky book-levitation miracles. That's not the way He seems to operate.

Leave the whining for the Turks and the Palestinians, amigo.

Hatzlocha.

wait- i thought u said we should admit powerlessness. so i am not going to pretend anymore that i am strong enuf to beat this. if i find myself in a room with these books i am not strong enuf to reisit. bottom line.

only way i can change is to depend on and ask God to remove the stimbling blocks from in front of me. Doesnt Hashem have to obey the torah also?
