from a high to a low-

So after a shabbos where I made harchakos from mstrbtion and erotic lit as well as davened what i felt were good tefillos, i fell twice in a short span; once last night and once this morning. Right after the falls, i felt that since the urge and the yh were so immensely powerful, i felt powerless and concluded there is nothing i could have done this time other than ms**bt... I didnt have remorse basically; I chalked it up to the YH.

the yezter hara seems to have so much patience that even if i go a week clean (which is what i had) the urge can come at any moment...

help appreciated...thanks guys.

Me looking at porn is so incredibly stupid and so incredibly damaging to my ability to be happy

with my wife and with my life. I cannot afford to do it, at all. In fact, right now, there is a co-worker (who argues with his wife on the phone here sometimes!) who is possibly watching a dirty thing on his computer and I feel my desire to check out what it is - *just to know whether there is something there I should not see.*

Can't afford it. I am too sick. It will poison me and make me very miserable, too. I will finish my work here so I can get outa here and go home.

Thanks for helping me share that, chabibi.

People like us have no business looking at porn.

Love,

Dov
