

struggle continues

from a high to a low-

So after a shabbos where I made harchakos from mstrbtion and erotic lit as well as davened what i felt were good tefillos, i fell twice in a short span; once last night and once this morning. Right after the falls, i felt that since the urge and the yh were so immensely powerful, i felt powerless and concluded there is nothing i could have done this time other than ms**bt... I didnt have remorse basically; I chalked it up to the YH.

the yezter hara seems to have so much patience that even if i go a week clean (which is what i had) the urge can come at any moment...

help appreciated...thanks guys.

reminds me of the rav who was upset because ppl in his shul didn't listen to his speech. He was reminded that at least they are not speaking lashon hora etc. during that time. Go read some old posts here. There are plenty of goodies!

Please don't take this wrong, chaver, I am seriously just *asking*: Are you really absolutely *sure* that you consistently have a harder time staying clean when your wife is a niddah?

I do not know, so I am asking - but I believe that **you** may not *really* know - so I am asking you to think it over.

It may be that you have a harder time staying clean the more sex you have with your wife. It may not be so.

It may be that you have an easier time for only one or two days while your wife is mutar...but over the long run, it may be harder than while she is a niddah.

Just think it over, ok?

like getting up at 8 for shachris which assures me that a) il be at minyan, b) il be at seder, and c) i prob wont mstrbt that morning.

u ask how i will work on it? well today i did it, so just encouraging myself to do it everyday. my wife leaves before me so she cant be there to do it.

also i am in the middle of a good book so that is also one of the reasons why i stayed in bed yestrday. hopefully if i finish that, i wont have as much a yen to hang arnd in the morning.

One of the main reasons I need to go to Shacharis on time is so that I remain sober.

Not for the davening, but so that I do not feel like a jerk.

Gotta live my conscience...otherwise the meat-grinder in me starts going, "why'd you do it why'd you do it...." and I am damned to misery.

So I need to do a decent lunch every day, daven like a mentch, and other things...so that I stay sober.

It's kedai and I believe it is an *excellent* way to live.
