

yechida's reflections

(any questions , insights & suggestions about this thread,feel free to email me at taryaga@gmail.com)

There are many reasons we need to be where we are and who we are,most are unknown.Why do we even have to be in a situation or have in our soul so much darkness and a pull toward self-destructing negative behaviors?

I saw once an amazing thought in a sefer.Moshe Rabeinu came from a union that after the Torah was given would have deemed him a mamzer(parents being an aunt & nephew).He could not boast of his lineage.This is one reason that let him be the greatest Anov that ever lived.

We who have to deal with the stuff that's in us that we would rather not have in the first place-this pain and shame over the course of time -makes us realize that even when we b'ezras Hashem pull out of the addictions-we will never look at another Yid that is struggling with this in a negative way

We catch a Yid looking where he shouldn't be looking and our hearts are full of compassion.We will daven for him,treat him with respect,gently try to get him out of it.We would never disgrace him-not even in our hearts-because we were there.We know what it's like.In our eyes he is a potential tzaddik.

This is surely one reason Hashem gave us this urge towards baseness with all it's shades of ugliness.Yes you are special-like every Yid is-but never ever judge harshly My son or daughter that is struggling-because I love him or her - he or she is part of Klall Yisroel.Just as indispensable as you are.

Dvar Torah on Veaschanan & 2 poems

May you all have a meaningful week, an easy fast, & may we all merit to see the geulah now!!

1

The quarter I put

Into the charity box

Shines back towards me

The giving of it

As small in value

Has eternal significance

Though its effects are often invisible

To the giver

Nevertheless

It has real & tangible positive effects

In this world

2

Compassion

Isn't just an emotional feeling

Its knowing how

To utilize compassion

Towards each individual

Based on their own true capacity

& on what they truly need

In proper measure

An overflowing loving heart

With the proper ability

To provide in healthy measure

The true compassion

That they need

To live life

A poem as well as a dvar torah on Tu Bav (parsha in prior post)

Have a great Shabbos!!!

When I feel low & worthless

God lifted me up

Receiving a heartfelt "Thank you" letter

Just at the right time

I shall try

To emulate God

By finding the spirit

Of those that are down

& breath in them

New hope

Just as God

Has done for me

Essence of Shabbos

Time to experience

The Unity of Creation

Awareness of God

Permeating this world

In this special time

Every 7th day

The beautiful oasis

In the center

Of the week

1

Each human being

Unique, Special

Needed in this world

To complete it

Heal it

Affect it

In a way

Only he or she can

2

A true

Master/Disciple

Of a deep love

& respect

For one another

2 poems & Dvar Torah (Ki Tezei)

have a wonderful week my friends!!!

Unbundle

All the kindnesses of God

Separately

Give each & every one

Individual attention

& only after that

Can you bundle them

Together again

As a myriad of kindnesses

Each with its own flavor

Combining as One

It is then

Each & every individual kindness

Completes one another

Into One true joy

6

If the danger of joy

Leading to frivolity

Is great

Then the danger

Of a broken heart & spirit

Leading to depression & mental illness

Is greater!!!

Therefore

Though at specific

Allotted times in the day

One is to speak with a broken heart

To God

The rest of the time

His soul needs to be filled

With inner joy

2 poems & a dvar Torah attached

have a wonderful week my dear friends!!

Soul is pure

Never harmed

It's the layers

Heaped upon it

That causes

The lack of healthy expression

It seems though

That there is a level

Of free-will

To exercise evil to such an extent

That the soul itself is destroyed

But for the majority of mankind

This is not the case

& when one cleared away the mud

The shine of the soul

Resurfaces again

2

Wisdom

Is nothing

Without the humility

Of recognizing

The Source

Who bestowed this wisdom

Upon you

A beautiful poem I came across

God Never Makes Mistakes

by Kathy Parenteau

For years I thought I was a mistake. A force within me helped me to be the fighter I am. I will never be defeated because I know and I believe I'm a part of his greater plan.

God Never Makes Mistakes

God never makes mistakes

look at the moon in the sky,

watch the sunrise at day break,

listen to the sounds of

the morning tide.

Whether high or low

she praises the master above,

God never makes mistakes

the beauty of this world

he created with love.

The snow capped mountain tops

just beneath heaven's gate,

another sign reminding us

God never makes mistakes.

If by chance you wonder

why things happen the way they do,

take a moment and think about

his special plan for you.

Remember

God never makes mistakes

4 poems & dvar torah (nitzavim vayelech)

have a wonderful week!!!

1

Gratitude

Opens heart & mind

To beautiful landscapes

Deep within the soul

Sprouting forth

Colorful flowers

A beautiful Garden

2

Eyes see deeply & clearly

Only when not dazzled or distorted

By externals

3

Wisdom

Knows its boundries

The heart may be as wide

As the ocean

But a truly wise heart

Respects the shore

Not allowing the waves

Of the vast wisdom

To overstep

Its natural limitation

To allow healthy, safe & peaceful life

To All

4

God heals minds

Heals hearts

Makes whole

What is broken
