

desperate teddy writes it down

Posted by desperate_teddybear - 20 Sep 2010 06:47

installed webchaver. yay.

this will work for me and my brother home from yeshiva for sukkot. i don't know why but i trust it a lot more than k9, maybe b/c i already know how to hack k9 and not this one, but im hoping its for better reasons like that, for example being harder to hack would be nice.

stupid thing is, so i put my friend as my chaver, but now he'll know i'm on guardyoureyes.org.
doi- what should i do about that?

Desperate, frummy,zeMmy,

I am no navi and have no celestial powers

I have one little thing

Experience

Herrr ois

I went 90 days cleaner than clean

No falls no slips no wayward eyes nothing

I would smudge my glasses in the bank or in the store etc

I would think to myself what's gonna happen when I finally see something

I realized I am scared of being clean

And that being clean means that I am just before a fall

I know it sound warped

So first of all

Every clean day is tremendous

You are pushing back years and years of a certain pattern of activity

Second of all a "yid" needs to realize "ilmalay HKB"H ozro lo yachal loi" you need to recognize that. U are fighting only with siyatta dishmaya

Oib azoi what do I do when I don't feel the urge to fight? (Which is lag vokelleses kasha) that is atzas ha-yetzer

Remeber if sobriety felt so good why did we ever get addicted? Ella mai,taava feels great yes I said feels. We need to learn to do what's good and right and not what "feels".

Let's go back.being clean is NOT being before a fall (laag vokelles if u are reading this thread being dirty does NOT mean u are just before being clean)

So how do we handle being clean? By minimizing the task

Meaning if one were to say I will never... Etc. Yes he may be setting himself up for failure

But if you bring it down to bite size pieces "one day at a time" just today etc.. You will be matzliach

I have mosre to say on this topic. But this is a good start

we still want the sequel

and are you saying that we shouldn't think in absolute terms?

meaning we shouldn't think to ourselves "i am not going to look at porn ever ever again"

rather say "i am going to stay out of trouble right now"

not to think about or worry about what the future may or may not bring

am i reading you right?

Zemmey

What I was trying to say is. Is. Azoi.

We are so afraid we "may" fall. That we actually fall

I'm sure dov can be "masbir" my bardish

He won't mind returning the favor
