i think the Rebbe needs a grabber stick, like the stores have to get things from high shelves, with a silver handle. that way he can walk around the shteibel with it and also sell ice cream with it.

did you ever try buying ice cream from the driver of an 18-wheeler? it's hard to reach up so high

whoever sponsors it can get his name and mothers name engraved on it (i.e. Carvel ben HaagenDaz)
