Yes, watch out from those Galicianers. One of em once went to market and saw a stranger who had a thread sticking out of his pocket. So the Galicianer figured there might be a wallet or sumpin good tied to it, and he stealthily started shlepping at the thread. The more he shlepped the more kept coming. So he started rolling it into a ball and kept shlepping at it. Finally it ended. He had this big ball of thread with nothing attached to it. But that night, when the stranger was getting undressed in his hotel room, he was shocked to see that the underpants he had worn that day were gone. He was shocked. "Those Galicianer crooks! How did they mange to pull off this one?"

Heh heh,
