Sholom Aleichem **mr. emunah!**

Since I didn't recognize your name, but I figured out from all the welcomes to you from the "old timers", that you must be one of the GYE old time chevra,

I did a name search for your previous posts:[as of right now your recorded as having 1105 posts!].

I found you HERE:

Zivug Frustrations & Disappointments

11 Mar 2013

7 pages!! of posts discussing "ZIVUG" (yea riiiiight).

I began to wonder what the blankety-blank [parden my french] this had to do with GYE???

(Hey! please don't jump out of your pants in responses to this, guys!, I also can come up with plenty of GYE related explanations, as an excuse to discuss & read about that subject, (and even better, I even did so without an excuse!) but commmmmmmmmon!!, who are we foolin' here??!!

Then I noticed your OWN post a bit further on (page 2)- and, what can i say? I couldn't put it better myself!

just an observation;

I have never had a thread which has taken off so fast...

S*x sells!

At least you're not fooling yourself!

that's one good step forward which can help us in GYE,
