Piacezna Chassidim don't discuss "the birds and the bees"... Just sayin'

I really honestly truly know a CHASIDISHER family who have TWINS with the names -

TZIPPY

and

DEVOIRY

Tzippy means Birds? I always thought it meant Pinches...

very profound!

a guy named akiva told me that you should learn and not daydream about birdies

I actually have found that I shouldn't day dream at all.

daydreaming

always scheming

silently screaming

free me from them beasts

cease the lease

their hold is so strong

i've been old for to long

carry on strong arm

break out the nests

puff out your chests

make ok stop that spray

they're beasts of prey yah i need to pray

my connection

brings resurrection

it's a new day

as i slay

dragons and demons

oppressors and freemans

history repeats

same lyrics different beats

the message the same

save me from a world gone insane

oh oh
