Help! Somebody call Hatzalah! I need help! I can't stop LAUGHING! Somebody just used the words "rules" and "Boro Park" in the same sentence! (Obviously, no one who's ever parked a car there.)

What's next, somebody saying "waiting in line" and "Israeli" in the same paragraph?

we need more jokes, smiles, laughs, woodford, skis, snowball fights, cholenade and other precious commodities

as the saying goes: if you can laugh, why cry?

should i remove this thread and have all your hard work go down the drain???
