Okay I'm High. All I ate today was potato chips, chocolate, and cookies. Whose idea was it to start a potato chip thread anyways? Does woodford go well with a stomach full of potato chips and chocolate?

A tums thread.

A tums thread.

A tums thread.

maybe we'll just stick it into the potato chip thread.

you know

crunch munch potato chip.

crunch crunch tums.

tums just go crunch, not munch, but it still fits in there i think.
