Gm' in megillah says it's assur to say HI to a sheid demon, see ra'avad in mes'tamid on this on mishna of the memunah saying HI at night.

So you can't say HI to demons on this thread, but you could use bards' picture to make te dizzy, like a demon would

warning: corny joke coming up

the gemara says that sheidim don't have shadows

anyone who fell in with porn and the like knows how to do their stuff in the shadows, so no one will see them, 'nuff said
