This is my map to GYE.

It is intended to help me stay focused on the tools I wish to use for my growth.

Please post all suggestions on the unlocked corresponding thread:

Ideas:

1. review world's collection of inspiration.
2. go through the titles of the attitude handbook and choose one to work on for now.
3. read up on what a gye partner, sponser, sponsee means.
4. go through the chizuk email archives to add material to your collection of inspiration.
5. find out about the hour a day phone matzav offered here.
- 6.
