

JIP'S Trucking Progress

Posted by jewinpain - 19 Nov 2010 19:43

hello buddies, here i am back, it's been a few months since i last posted here on my thread, where should i start & what should i say , i am emotionally too weak to say anything when it comes to talking about myself, got b?h 298 days clean, some days are cleaner than other but according the terms here on GYE I am clean, of course we always gotta strive for the better but we gotta go baby steps, almost had a flat this week, but I was saved , hashem had mercy on me & made me reach out to our 2 holy brothers Reb Yechida & Der hieliger bardciiver who gave me some good chizak, so I came to realize that the road is very bumpy & we gotta learn how to jump up when there is a bomb on the ground or bend down when there is bullet fired above you, constant fighting & of course lots of prayers to hashem cuz after all he is the 1 & ONLY who can help us get cured from this terrible daisies, all of you guys here on GYE have been awesome to me , I got lot of chizak here from ur stories & u are just keeping me afloat , when I feel stronger I will iy?h write a longer post with more specific details as to what happened & what we can do to KOT, & if it helps even 1 yid it's all worth my time, I may not be very active on the public forum over the next few weeks, but my inbox & email and Google talk are always open for anyone who needs an ear, (I am sure it won't last long I will not be able to refrain from peeking in here

Be safe guys & have me in mind pray for me & I will for you

JIP. I get depression too. Like the lust addiction it feels like we can't stop it. Personally, sometimes I *can't* stop it. But I've posted about it, and the chizuk and suggestions I've gotten have helped a lot. There are some things I do that help. Number one is that I know this heavy hopeless feeling is not what HKBH wants us to live with. Number two, I am *feeling* depressed. *I* am not depressed. I am "H's child, and when I suffer, He suffers. I feel depressed and I am His little son. Number three, I found a good psychiatrist and take medication. My Rebbe is very strong on us using what medicine has to offer us, knowing that ultimately it is His refuah. Number four, I use a light box every day for half an hour. Number five, I make myself stay in touch with all these Ganseh Yiddin at GYE.

Depression is something that happens to us. It's not who you are. Every Refainu I will daven for you. Stay close. Talk to Him a lot. You can stay clean through it all. Do you have people to call? You are not burdening us when you talk about how you're feeling. Would you feel we were burdening *you* if the foo was on the other shut?

Isolation is terrible when we are depressed.

me too!

the whole JIP truck looks better when the driver smiles

the chrome wheels sparkle

the subwoofers woof better

the spoiler doesn't get spoiled

the Noam Elimelech stays on the dashboard

the cool shades are right where you left them when you need them

the air horn sings happy lively tunes...

payos flying in the wind...

tzitzis billowing..
