hello buddies, here i am back, it's been a few months since i last posted here on my thread, where should i start & what should i say , i am emotionally too weak to say anything when it comes to talking about myself, got b?h 298 days clean, some days are cleaner than other but according the terms here on GYE I am clean, of course we always gotta strive for the better but we gotta go baby steps, almost had a flat this week, but I was saved , hashem had mercy on me & made me reach out to our 2 holy brothers Reb Yechida & Der hieliger bardciiver who gave me some good chizak, so I came to realize that the road is very bumpy & we gotta learn how to jump up when there is a bomb on the ground or bend down when there is bullet fired above you, constant fighting & of course lots of prayers to hashem cuz after all he is the 1 & ONLY who can help us get cured from this terrible daisies, all of you guys here on GYE have been awesome to me , I got lot of chizak here from ur stories & u are just keeping me afloat , when I feel stronger I will iy?h write a longer post with more specific details as to what happened & what we can do to KOT, & if it helps even 1 yid it's all worth my time, I may not be very active on the public forum over the next few weeks, but my inbox & email and Google talk are always open for anyone who needs an ear, ( I am sure it won't last long I will not be able to refrain from peeking in here

Be safe guys & have me in mind pray for me & I will for you

at least once a day, after all I am a addict  
Thanks guys for the replies, but there is no point in being jealous of were I'm gana be in gan eden, bottom line is, that down here I'm stuck in a ugly situation, for some unknown reason hashem has a different meaning for the term "good" so I need to live up to his expectations I guess

Zemmy, yes I talk about that book "Taking action" he's very right and it pains me terribly that this is were is starts stinking, regarding my good traits, I agree with u, I got many of them, but guess what all of them didn't help me a thing till now, so its pointless to even take credit for those, I lack the basic normal things and that's what puts me in garbage here again & again, I'm about to give up hope I got 1 more option left over which I hope to try in the next few days & if that's not the answer, I'll be done and over

I'll keep u guys posted

u can either beat urself up over the head for not being a malach, or get over urself

any good traits we have are often traits we are born with and as such we cannot 'take credit' for

them, rather we should recognize them, appreciate them and use them to benefit ourselves and others. and your good traits got you to where you are now and that is really amazing.

great idea there, if the sefer is getting you down then don't learn it now. learn hilchos birchos

i daven that you find the strength to deal with whatever comes your way and that you come out all the better for it

Second the motion -a moiradige shtickel!

Don't be dead soon...

JIP -I don't know you well, and I haven't been around here so long, so pardon me for overstepping my bounds **BUT I'VE BEEN THERE**, and we're all in this hell together working to find the stairway to heaven (sorry! I couldn't resist:)) so I'll allow myself to say something, and forgive me if you think that I'm just being insensitive chalilah...

BUT... Depression and yiush from both my struggles with lust and assorted problems (i.e. parnossah or the lack thereof...) are mammesh issues that made me wish...(and some say that's B'chal Nafshecha...even when you feel a ta'am missah in your **life**...live for Him)

And sometimes I'm just mechazek myself with the following thought:

Someone else might have all of the problems which are tearing you apart **and also** be (Chas Veshalom Chas Veshalom oif alla Hamas terrorists YM"S) a quadriplegic, (one wouldn't even be able to experience the 'pleasure' of P\*\*\* and M\*\*\* or act out...they'd just feel the immense **mental pain** of lust; one also wouldn't be able to kill onesself) blind, deaf, dumb or stupid...

Lighten up and Thank G-d your senses work...and that you have such great friends over here who will shlep you out of Gehinnom by the payos if they have to.
