i guess i now know how springsteen feels about born in the usa

Dear dave shlita,

good morning,

i very much so enjoyed the A&W moment, so dont worry, your oxygen that you breathed when u

posted it went into good usage and made a difference in the world.

i am actually remembering the TRIGGERING INFORMATION

i still have vaguely some of the "bekius" in these inyunim from back in the day

here's what the diary of Noodles from the offspring would look like every day online:

"today we took drugs

then we played some music and got stoned

later, we woke up and did TRIGGERING INFORMATION

then we got stoned and went to sleep"

asher bachar banu mikul ha'amim, vinasan lanu ess toraso....

i also liked in your a&w post how you kvetched about yidish

i also kvetch about it here and there

It's beautiful when we can see the good that being sober does for us. File it away and remind yourself of it.

Rage,

its all about the conspiracy of one.

the conspiracy is that we and god both tug back and forth for control

but it looks like you know who's on the drivers seat

Raja

Don't get so philly-sofa-kill

There is very little some strong spirit

Like woodford could take care of

Drink one cup every four hours

Shake bottle well befor taking woodford

Never on an empty stomach

Don't drinkanddrive
