kul hakavod

the people in noach's dor sinned with mayim (in kabbalah lust is associated with water) by doing arayos, and so God punished them with water. And in the Ark they were asur from having relations. And the raven suspected Noach of wanting to have relations with it's mate. And in end of story the cursed Cham removes the sexual organs from Noach.

The sin of Chava and snake was sexual. Sedom. Ninve, Yosef, Amnon, David, Shimshon, Geychazi, Yehuda.....wow, the torah has more to do with this then we realize.....
