

Need Help with a Vote

Is this a fall or a slip?

Google image search for something inappropriate - yes I pursued. Googled a few more words. Then closed it before it got a hold of me.

Does this qualify as a "fall" or a "slip"?

Sorry if I gave ideas to anyone.

all of my yeridos STARTED FROM GOOGLE IMAGE SEARCH!!!

I am not proud to say it but it is the truth

Random searcheS Stumble upon(perfect name) are all gateways that almost AYWAYS lead to seol tachtiss

I am realyy a vey freindly person if you follow my posts

but.. but,, I am talking strict only from the deep pain of my personal experience

listen Tzaddik Ignore your YH never test him to see if he still is in business.He is always in

business.

I agree that this shouldn't be considered a fall. I know that according to the rules it is, but I think this should be an exception. But you most definitely should get it out of reach FAST!

Torah Thought of the Day

From HaGaon Reb Leizer Geltdzeler ZT"L:

In the Parsha of TZITZIS, the Torah Teaches us: "VE'LO SASURU ACHAREI LIVAVCHEM VIACHAREI EINICHEM - And you shall not stray after your heart and after your eyes".

Said Reb Lazer, VE'LO SASURU - you should not stray from the path of Hashem, ACHAREI LEVAVCHEM, V'ACHAREI AINEICHEM. The Torah is telling us, that even AFTER you already sinned, even AFTER you already started to go after your heart or eyes, DON'T CONTINUE the downward slide that the Yetzer Hara is trying to get you into even more than the sin itself!

So if you sinned, shake it off and continue on!!
