

halachic question

Posted by jda211 - 15 Dec 2010 17:15

Maybe someone here can help me. I have been doing the Taphsic method for 2 weeks, or trying to. I just made a shevuah, and I'm pretty sure I left out the words "for one week". I am petrified i made a shevuah for good. I was thinking one week, but I don't think i said it. i realized a minute later and said it, but i dpnt think that helps.

Can someone help me?
