

Where I'm at

To whom it may concern,

My name is Uri.I live in the jerusalem area and i am a sex and love addict.This took me a long time to come to terms with,to say the least.But that we'll get to in a second.

I am finishing now my third year in beis medrash.While i have had success in my learning b'h,i have a source of shame and anguish that has caused me great depression on a constant basis.I lived (live really) two lives;my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim.And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts.I feel like the worlds biggest hypocrite.It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits.After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place.I have major issues in getting close to people and keeping friends once i feel that they know me too well.i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict(however ironic that might sound).The need creeps up all too often,followed by a crazy need to satisfy it.There are several paths to this:porn,masturbation,contact with a sexual girl,and, strangely enough,eating out at restaurants,but that well get to a diff time.Anyway,there is one main girl,as there always is.we have had the weirdest on and off relationship,to say the least.the jealousy and overprotection i had with her is still a shock to me even.anyway im tired so i shall continue this

Uri, you're not answering your phone.

I wanted to wish you a good and safe flight.

Beezrat HaShem, I'll see you in 2 years! I can't imagine what we'll be like 2 years from now.  
???

So, that means either you're busy packing or most likely sleeping in.  
Bye buddy... :( :( :(

Girls, you aren't gonna believe this. I just spoke with Uri. He sounds OK, except he HASN'T PACKED YET!

Before you send a flurry of mad posts, we don't want to pressure him and cause more R.I.D. than I'm sure he's already feeling by leaving his family and friends.

He knows he's gotta pack.

Instead of writing "PACK NOW", I'll write...

**WE LOVE YOU URI! YOU 'DA MAN!**
