

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri. I live in the jerusalem area and i am a sex and love addict. This took me a long time to come to terms with, to say the least. But that we'll get to in a second.

I am finishing now my third year in beis medrash. While i have had success in my learning b'h, i have a source of shame and anguish that has caused me great depression on a constant basis. I lived (live really) two lives; my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim. And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts. I feel like the worlds biggest hypocrite. It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits. After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place. I have major issues in getting close to people and keeping friends once i feel that they know me too well. i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict (however ironic that might sound). The need creeps up all too often, followed by a crazy need to satisfy it. There are several paths to this: porn, masturbation, contact with a sexual girl, and, strangely enough, eating out at restaurants, but that we'll get to a diff time. Anyway, there is one main girl, as there always is. we have had the weirdest on and off relationship, to say the least. the jealousy and overprotection i had with her is still a shock to me even. anyway im tired so i shall continue this

See Chizuk e-mail #262 on [this page](#) - it's my own vort on this same Pasuk you quoted.... I think you'll like it too! 70 Panim La'torah...

Rabbeinu Guard,

The vort is great!

If I can add a remez. Why does it say "Sadeh", where else do wild animals hang out?

Maybe it is a reference to Aisav who was once an "Ish Sadeh" but after his Bar Mitvah (or really

15 if you do the math) turned into the mantelpiece for the Chayas Hasadeh.

Moshe wasn't being cynical, or a pessimist. Chas veshalom!! Moshe was just letting us know: You guys are gonna fall. And you're gonna get up. And you're gonna conquer this land. And you're gonna learn from your falls. And Hashem and His messengers will always be there to help you back up. Have no fear, for fear will only prevent you from reaching your goal.

Falling is just "part of life". Falling is a necessary and important part of life.

Sorry for that being slightly long. I have the feeling not everyone will be satisfied with my

Rebbi Uri,

Just ask Mom - I think her 7-Up name is based on the Sheva Yipol Tzaddik V'kom.

She should just add to it "Tzadekes", because as someone wrote on the forum, when you get up, you are getting up as a Tzaddik.

It dawned on me last night that you had 18 clean days. The Sefiro of Yesod you know is connected with Kedushas Habris. It is sometimes referred to in Kabbalah as "Tzaddik **Chai** Olamim"

interpretation. I am sorry. With love and respect for the brave warriors here-Uri

Hi Uri

I haven't posted on this forum for ages.

You write beautifully, very inspiring. After a while i realized that i have to start reading the chizzuk emails and start looking at the forum. I also decided that i have to stop going on to facebook.

The first email that I've read in ages was this, what an amazing start.

Where did u learn to write so beaut?

In the merit of all you holy blokes,(guys in Australian, I'm from Ausralia) Moshiach should come NOW!!!!!!

NET!

Great to have an Australian on board!

7Up (did you meet our 7Up yet?) is going to want to know all about it, especially the food.

Uri, yes, Uri is a real gem. He learned it from the malach, before birth, no doubt. It comes naturally to him, doesn't even try. he's not even sure what everyone else is getting excited about.

um, Net, **YOU'RE** one of our holy blokes! Anyone who in today's age has the sensitivity to realize that the world is crazy and we need to work on staying normal, is one holy bloke!

And facebook actually has the CHUTZPA to ask WHY we decided to deactivate our account, as if it is something we need to come up with a reason for. And guess what? The real reason isn't

Man, the world has really hit rock bottom. They'd better start doing the 12 steps, ain't no other hope for them.

very humbly,

kutan
