

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri. I live in the jerusalem area and i am a sex and love addict. This took me a long time to come to terms with, to say the least. But that we'll get to in a second.

I am finishing now my third year in beis medrash. While i have had success in my learning b'h, i have a source of shame and anguish that has caused me great depression on a constant basis. I lived (live really) two lives; my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim. And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts. I feel like the worlds biggest hypocrite. It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits. After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place. I have major issues in getting close to people and keeping friends once i feel that they know me too well. i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict (however ironic that might sound). The need creeps up all too often, followed by a crazy need to satisfy it. There are several paths to this: porn, masturbation, contact with a sexual girl, and, strangely enough, eating out at restaurants, but that we'll get to a diff time. Anyway, there is one main girl, as there always is. we have had the weirdest on and off relationship, to say the least. the jealousy and overprotection i had with her is still a shock to me even. anyway im tired so i shall continue this

its like a very very very wise man once said, "i'm not like them, but i can pretend"

("The sun is gone, but I have a light. The day is done, but I'm having fun. I think I'm dumb or maybe just happy")

Ok the forums pretty dead today so im gonna have to go searching for something.

ah..a poem i write last week (when the tehilim we were saying went along these lines)

Enemies

They chase me endlessly

they never tire

Im running and running

higher and higher.

Their pursuit is futile

if only they knew.

They'll never take me down.

Wanna know why?I'll tell you...

I'm among the elite,

the best of them,

G-d's beloved warriors,

the army of Hashem.

But they don't get it,

those foolish ones.

They think they are strong,

with their tanks and their guns.

Let me repeat

but for the last time.

I'll make it short

gettin hard to rhyme.

We have Hashem!!

Don't you understand?

The Creator of the world,

the sky and the land!

He runs this place

and everything in it.

So you got no chance bud,

it's time to quit it.
