

Where I'm at

Posted by jerusalemsexaddict - 16 Jul 2009 19:45

To whom it may concern,

My name is Uri. I live in the jerusalem area and i am a sex and love addict. This took me a long time to come to terms with, to say the least. But that we'll get to in a second.

I am finishing now my third year in beis medrash. While i have had success in my learning b'h, i have a source of shame and anguish that has caused me great depression on a constant basis. I lived (live really) two lives; my yeshiva/religious life which is the source of much admiration and pride from my parents and rebbeim. And then there is my "secret life", where I spend time ranging from 10 minutes a day to almost full off days fantasizing and worse acting out of all sorts. I feel like the world's biggest hypocrite. It bothers me even more cause i find sincerity and honesty of the utmost importance, and i have to stand and watch myself trample all over these traits. After several years of therapy i have recently come to the realization that basically all of my "major" issues have come from this place. I have major issues in getting close to people and keeping friends once i feel that they know me too well. i have a hard time sitting by myself due to my uncomfortability of sitting with a unsatiable sex addict (however ironic that might sound). The need creeps up all too often, followed by a crazy need to satisfy it. There are several paths to this: porn, masturbation, contact with a sexual girl, and, strangely enough, eating out at restaurants, but that we'll get to a diff time. Anyway, there is one main girl, as there always is. we have had the weirdest on and off relationship, to say the least. the jealousy and overprotection i had with her is still a shock to me even. anyway im tired so i shall continue this

I love this story.

I don't know why this made me think of a guy a know named Uri.

Can I stand next to you on Yom Kipur?

No Jokes! You have a relationship with Hashem the The Baal Shem Tov would love to have you at his side.

Oy Gevald! Hashem look at your Holy warriors.

Uri, um. nothing I can say will express enough my love for you and my admiration for your progress and attitude lately... Oh, and that **amazing** ACE story. So I guess I'll just stop here before I ruin it.

Uri

Nothing to write when things are going well?

See quote below from Rabbeinu Yonah in Yesod Hateshuva.

"When the time to eat comes, and he searches and has found nothing, then he should thank and praise before the Creator who has helped him against his enemies, and he merited to have one hour of teshuva in this world."

still cannot do it without natural talent

I can be there all day long,
would still end up with an incoherent song,
but with the talent like letakein's you can do wonders
while yechida's road to poetry is full of bumbling blunders
